

Red Knights International Motorcycle Club

Help-A-Knight Directory

USING THE DIRECTORY

The entries in this directory are assembled in alphabetical order, according to the Country. For Example: Canada is listed before the USA. Within each state or province, Red Knights participating in this program are listed by town or city. The assistance made available in case of need by your fellow Red Knight is listed beside each participant's name according to the legend below. To receive assistance from another Red Knight, first determine which participants in this program are nearest to your location using the list in this package. Next check the noted assistance available listed beside each participant's name to see which one can provide the assistance you need. Then call that Red Knight no collect calls please - and explain your problem. Be sure to mention HELP-A-KNIGHT.

USER REPORTS

So Red Knights International can assess the usefulness of the HELP-A-KNIGHT system, we ask you to let us know your experiences with it. Please send an email with the information on your experience to HelpAKnight@redknightsmc.com. This is not mandatory, of course, but it will help us determine how well our system works now and what improvements are needed for the future.

ERRORS & OMISSIONS

If you spot an error in this directory, if you need to change some of your information, if you are listed but no longer want to be or if you are not listed but want to be please email HelpAKnight@redknightsmc.com and list the updated information or your request for removal. Another option is to use the interactive form posted on the International Webpage to file your information with the Help-a-Knight program. The web address for that is: <http://www.redknightsmc.com/helpaknightapplication.htm>
